

RHSO Zoom meeting Thursday 19th June 2020.

Brief Minutes / action points

Attendees – Ruth, Hazel, Rob, Adrienne, Eric, Nickie
Apologies: Robinne, Lanier

1 Current state of Orchard

Adrienne reported that she wasn't concerned about mowing as the grass was very dry and the grass not growing & had been trampled

2 Finance (current bank balance £3238.40)

3 Juice Sales

Trula is selling and Hazel is getting her extra stock but we still have over 700 bottles in stock which have a shelf life of April 2021. To sell more **Ruth will post on Facebook** & request private messages so that she can give Adrienne's details. **Nickie will email the D list** saying that we have juice. Cash sales only with money in an envelope with their names on. **Rob to do posters** which can be put up in the Budgens area.

4 First Aid

Someone at maintenance session needs level 3 . Both Rob and Eric happy to do training when it is running – **Adrienne to investigate and book**

5 Maintenance

We discussed how this could run in July under current restrictions **and Rob will update** the risk assessment and send to Richard to obtain permission to run. Idea in summary is to run with regular volunteers, limit to 6 volunteers ,assign tools to specific volunteers, take own gloves or use plastic gloves in our gloves and have family groups working together. Once agreed with Richard, **Nickie will send mail to regular** volunteers asking

for who will come. At this maintenance those present will talk about how Apple Day could run. Ruth believes that we do not need masks as it is outdoors and socially distanced

6 Apple Day

Rob reported that the crop doesn't look great but it's difficult to tell and we don't have to make a decision yet. We would definitely not do Apple ID or Apple press. We thought it could happen but with a much smaller event and assign a family to a tree to keep social distance.
